

MANE LINK
Senator Application 2015-2016
Due Tuesday, August 18th, 2015

Before committing to be a Senator, consider your responsibilities for this year. Mane Link will need to be an important priority for you. Your responsibilities to student government activities are important and will require your attention and participation. Senators, as leaders of the student government, have a higher obligation than general membership. Think about how you will give the several hours needed each week for meetings, projects, and your responsibilities when you may also be involved in sports, other organizations, or a job. We want you to be involved, but don't commit to more responsibilities than you can cover. We want you to succeed academically, morally, and socially.

GENERAL MANE LINK RESPONSIBILITIES:

1. Be a leader of character!
2. Realize your ACTIONS speak louder than words!
3. Attend Mane Link meetings and sponsored activities, including class meetings
4. Be a vital link of information: Report on all activities of Mane Link to the student body.
5. Place KMHS Mane Link on a high priority. Senators must maintain a 80% or higher participation rate each month.
6. Support all school-related activities.
7. Listen to the concerns of the group you represent at all times and express these views in Mane Link meetings.
8. Motivating force for all School activities.
